

Dear Ulrike and Peter,

How are you and your family, for us in Uganda we are okay. I take this opportunity to thank you very much for paying my school fees which helped me to complete my secondary level. Thank you very much. I have passed very well with better results which can help me to join the University.

Dear Ulrike and Peter, I want to join the University to continue with my studies and I want a course of Catering and Hotel Management, but there is no support at home, so dear Ulrike and Peter, I am asking for your support, so that I continue with my studies.

Thank you very much for what you did for me, every thing you gave me so that I pass my exams. Thank you very much.

YOURS FRIENDLY

Natalia  
Agnes.
